EU SCHOOL SUSTAINABILITY

NEWSLETTER

October 2022

THRU THE ERASMUS ACCREDITATION YEARS STUDENTS DISCOVER DIFFERENT PRACTICES IN EU SCHOOLS THAT SUPPORT SUSTAINABLE DEVELOPMENT. TOGETHER WITH INTERNATIONAL PARTNERS, THEY CARRY OUT A JOINT SUSTAINABLE ACTION AT EVERY INTERNATIONAL MEETING.

*Grundschule Klosterfelde, Germany*

# STUDENTS IN ACTION

## The disappearance of the rainforest

Through the workshops, students learned about the negative consequences of deforestation. Together, they recreated the sounds of the rainforest and its disappearance with various instruments, that their learn to play in the workshops.

*listen how the  
rainforest  
dissapears*

*We and our earth can  
breathe because we have  
rainforests.  
Protect the water chain  
and rainforests and fight  
illegal logging.*
